This was another amazing pastors and leaders conference. One of the highlights was being able to have a **breakout session to train 410 pastors to start Joshua Nation's bible schools**. One pastor who I prayed for told me the Lord specifically told him to attend this conference and then during the training the Lord spoke to him about taking the schools into Brazil. So hopefully we will someday be able to train pastors there.

The ministry time was incredible once again. God never fails to show up when people are hungry for Him and not afraid to ask for prayer. I had taught on healing and the kingdom of God earlier and as soon as we began praying for the sick a woman grabbed me to pray for her sister. *The family had wheeled her in sitting in a chair on top of a wheeled cart*. It sort of reminded me of the man who was let down through the roof by his friends in the second chapter of Mark. She had not walked for two years since going under anesthesia during a surgery. The healing and delivering power of the Holy Spirit came upon her mightily. Afterwards I didn't even have a chance to ask her to get up and walk as she immediately got up by herself and began to walk. Her family was over joyed as you can imagine.

Bible School Training for Pastors

A twelve-year-old boy asked me to pray for him for freedom from a **three year addiction to smoking pot**. The Lord delivered him as tears flowed down his cheeks.

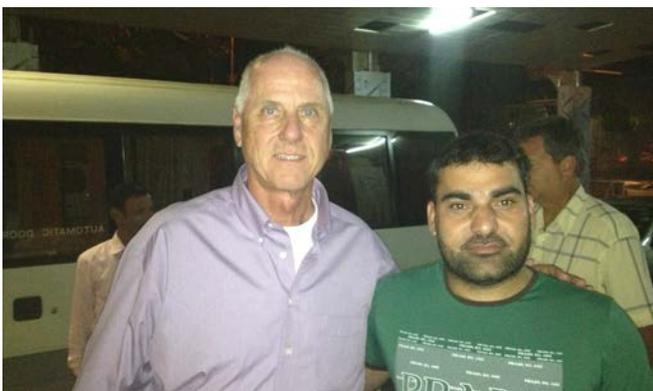

A man who had never spoken in his life began to speak for the first time saying "Jesus;" a young man whose shoulder and arms were locked were loosed; a woman was healed of a brain tumor; another man who had not seen in two years received his sight again.

COLOMBO, SRI LANKA

After arriving back in Colorado Springs around 10:30 AM on Monday the 1st from Columbia, I flew out that night to Sri Lanka. This was a small conference to minister to and encourage local pastors and some key Pakistani pastors who had come over from Pakistan. We prayed for people for hours and the Lord healed and delivered many from their suffering.

Sri Lanka is 70% Buddhist, 15% Hindu, 8% Muslim and although 7% are listed as Christian only .8% of the population are born again believers. It was great to get to know the Pakistani pastors. They minister in the most difficult of circumstances.

One of them had been a member of the Taliban who had gotten saved. He lost everything for his decision to follow Christ - his family, friends and business. We baptized him in the Indian Ocean. Afterwards he boldly proclaimed, "I accept you Jesus. You are the Son of God." The Lord also healed his back from a gunshot wound he had suffered years ago in an attempt on his life. While praying for him I saw in my mind's eye this laser of light coming down and repairing his back. On the way to the airport that night he was singing about how the Lord had healed him. **All glory to the Lord Jesus Christ!**

Jack and Pakistani Pastor

On Sunday I preached at the same church I did last year when I was there. The pastor's daughter was filled with the Holy Spirit during that service. This year I found out how it happened. She told me she saw the Holy Spirit come to her in the form of a person as a transparent, flowing river. She saw Him literally enter her and that's when she began speaking in tongues. How cool is that!

DUBAI, UNITED ARAB EMIRATES

Our last ministry opportunity on this trip was in Dubai. No organized conference here, just a scouting and fact-finding trip for possibly scheduling something in the future. Dubai is a very international, modern and wealthy city so I was surprised when our host took us to what I would describe as a labor camp housing 5000 workers. These laborers come from surrounding countries in hopes of a better life for themselves and supporting their families back home. What they find is meager housing and hard labor for minimum wages. We'll see what the Lord may have us do in the future in this country. I can see bible school groups all over this compound.
