Excited Pastors after attending Bible School

Bible Training Centers Are Changing Lives!

These wonderful new friends were so very appreciative of our support and ministry to them. I liked how one pastor expressed his gratitude to the graduates, "What they have given us, let us use it well." Here are some testimonies from pastors and leaders who attended the training and schools in 2014:

"Now with these teachings we are unshakable and will continue to affect others with this knowledge. Most of the students are believers but are now disciples, leaders, fathers and leaders of leaders! Come back and you will not find us how you left us!"

"I was in charge for so long. I read but I was not understanding, and I didn't know where I was going. The teaching on the Holy Spirit taught me that a Christian has the Holy Spirit! And because of this we will have "fire in the church!" I want to infect others with the Holy Spirit. I have strength now and the Holy Spirit guides me and instructs me!"

"The teachings on faith assisted me so much! I applied faith but I was full of doubts in myself. Faith is a hand that receives from The Lord! I now raise my right hand to God and say, 'All things are mine and have been given!' My work is to receive!"

"My dreams had died and if a pastor's dream dies, so does the church. Thank you for reviving my dream to reach the goals of God!"

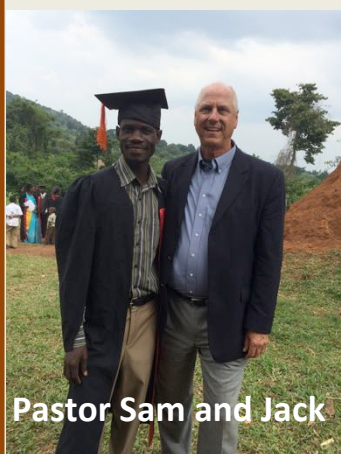

"The study of demonology taught me how to prepare my heart and how to deal with the devil. The Holy Spirit told me I am His instrument to do the work of God and to fight against the devil and that I should prepare for the war that is ahead. The teachings are sharpening me and have moved me to another level with the Lord and is making me better!"

"After going through one year of the two year program, we need more teachings because we are being changed and going to another level with the Lord. We will not remain as we were. We will preach and we feel empowered to go to the nations. Please give us more teachings as we want fruitfulness!"

"Today has been the most wonderful day! I have never graduated before, but today I did. Concerning the teachings, I was among the teachers and many got saved! I realized I have gifts and God can use me in teaching! I am going to serve God in that special office. I can see things being transformed. I am promised the Holy Spirit, wisdom and will magnify God with what I have been told. You have commissioned us to share the gospel all over the world!"

"The training has transformed our lives and is transforming these graduates' lives, along with our church! The transformation has just started—we will extend the vision of Joshua Nations. We are here to serve God! We are so thankful and all of this is so wonderful and is from God!"

"I am so thankful for your support! You have given me a big vision, much training and have benefited me much! Most especially was the teaching on deliverance. Because of Jesus Christ, I am now king over the devil!"

"The teachings expanded my thoughts and increased my faith. I grew in learning about demonology and how to fight the devil. I learned to persist in praying for needs just like Daniel prayed and to never faint. God sent an angel to answer his prayers! I liked reading about righteousness and how I am right with God!"
