

FREEDOM THROUGH FAITH MINISTRIES

Chaplain Jack and Debbie Gaudin

Reaching the lost and setting captives free

March 2007

“The Spirit of the Lord is on me, because he has anointed me to preach good news to the poor. He has sent me to proclaim freedom for the prisoners and recovery of sight for the blind, to release the oppressed” (Lk 4:18)

NEW YEAR - - - NEW MINISTRY!

The beginning of 2007 has brought some big changes for us as a family. For some time, I have felt the leading of the Lord to leave our affiliation with Good News Jail & Prison Ministry. I have therefore resigned my position with Good News and we are now “FREEDOM THROUGH FAITH MINISTRIES” which is our own 501(c)3 non-profit ministry.

This change of ministry affiliation will allow us the freedom to flow in a ministry style to fulfill our calling and destiny in Christ. Unfortunately though, because of a new agreement between Good News and the Colorado Department of Corrections (CDOC), I am prohibited from serving as a chaplain in CDOC for a one year period since I am no longer affiliated with Good News. Although deeply saddened about this, I am continuing in full time ministry as a weekly CDOC volunteer, deliverance ministry and itinerate speaking until this one year period ends. I am grateful to have the full support of my warden and facility administration, our local church and spiritual mentors in my life. I also hope to begin ministering in the Fremont County Detention Center soon. Transitions never seem to be easy so your prayers are appreciated during this time!

Contributions for our support should now be made to FREEDOM THROUGH FAITH MINISTRIES at the address on the back page hereof effective immediately. Please do not hesitate to contact us should you like any further information as to the details of our change.

“He has sent my mental illness away”

Steve told me he had accepted Christ six years ago in a county jail. But as we began to visit I soon discovered,

*“The LORD sets prisoners free”
(Ps 146:7)*

as not uncommon with a lot of believers, that he continued to struggle and fail with certain sins of the flesh. He also suffered with chronic pain in his back and hips. Thanks be to God that Jesus Christ came “to release the oppressed” (Lk 4:18) and to “destroy the devil’s work” (1 Jn 3:8). Here’s what he wrote after his deliverance and being filled with the Holy Spirit:

“News about Him spread all over Syria, and people brought to Him all who were ill with various diseases, those suffering severe pain, the demon-possessed, those having seizures, and the paralyzed, and He healed them.” Matt 4:24

“God is an awesome God. He has delivered me from evil. He has filled me up completely with the Holy Spirit. He has forgiven me of all my sins. He has baptized me by the Spirit. He has sent my back pain and my hip pain away. He has sent my mental illness away. Praise be to God.

I felt the evil spirits leaving my body through the top of my head, starting at my feet and working their way up through each part of my body until they reached the top of my head and left out. I felt as if I was too weak to stand. My legs had cramps in them from trying not to fall down. I spoke in tongues. At first when I heard it in my head I didn’t understand it, but then it came clear to me that what I was hearing was what the Spirit was telling me to speak.

I was able to actually stand up and bend over and touch my toes with no pain in my hips or my back. Something I’ve not been able to do for at least 15 years! I know deep in my heart now the power of God. It was God through His son Jesus Christ that saved me from the path of wretchedness and filled me up completely with the Holy Spirit.

I gave forgiveness for things I’d been holding onto for 40 years. I asked for forgiveness for things I’d been doing wrong for 40 years. I cried deep tears to wash away and let out the evil spirits hiding in me for 40 years. I know God is real... Praise the Lord!” Steve

Is this a changed life or what!!! Thank you partners for being a part of changed lives for eternity!

PRAYER REQUESTS

Debbie is still recovering from a medical procedure called “endometrial embolization” she had last month and has been in discomfort and pain. Prayer for her complete recovery is requested.

We are planning our 1st Annual FREEDOM THROUGH FAITH MINISTRIES Golf Event for July 2, 2007. This will be a major fund raising event for us so please pray for the Lord’s blessing upon it. Let us hear from you if you would like some information on how to participate!
