## TRAINING AND EQUIPPING THE NATIONS!

*Jesus replied, "Go back and report to John what you hear and see: the blind receive sight, the lame walk, those who have leprosy are cured, the deaf hear, the dead are raised, and the good news is preached to the poor. Matt 11:4-6*

### TUMACA, COLUMBIA

I have been in 13 nations over the past two and a half years teaching and preaching the good news of the gospel of the kingdom and have seen God move in mighty ways. But I'd have to say my recent trip to Tumaca, Columbia was one of the best in regard to fruitfulness of ministry and what our team believes to be the beginning of the transformation of a city.

#### Healings and Deliverances at Nightly Crusade Events

Each night at the crusades over 5,000 would come. We would pray for the sick after the invitation for people to come forward to receive Christ. So many would come that you could hardly move because of the crowd pressing around you to pray for them. It's difficult to express the anointing that was there during this prayer time. Many healings and deliverances took place every night.

*The Holy Spirit seemed to come upon everyone we laid our hands upon in prayer.* We witnessed the Lord open deaf ears and heal the lame and the blind. Every night we would pray for the people until we were required to leave. The most difficult thing we experienced was looking into the eyes of those we had to walk away from before having a chance to pray with them. That was truly heart breaking.

*"For we cannot help speaking about what we have seen and heard."  
Acts 4:20*

Preaching at Crusade

***“Then I looked Over And Saw Jesus”***

On our last night there my roommate and I were up late after the crusade talking about the miracles we had witnessed that evening. Another hotel worker approached us asking for prayer. He commutes weekly to work three hours away and asked we pray for his protection because the roads were not safe to drive because of rebel groups.

So we woke up one of our interpreters as it was already around midnight and ended up praying for him to be filled with the Holy Spirit. Who else would be better to be with him and protect him on his travels? Afterwards he just sat in a chair with a stunned look on his face. I asked him where he had been because it just seemed he had gone somewhere. When he gained his composure he told us, “I was in this white cloud, and then I looked over and saw Jesus with me.” Wow!

***“My Students Need To Hear This, Come With Me”***

Three of our team members went out doing street evangelism while the rest of us ministered at the pastors/leaders conference each day. The first day they went to a park and spoke to some kids playing soccer. Using a bracelet with different colored beads representing different aspects of the gospel as a witnessing tool, two of the kids prayed to receive Christ. An adult then came over asking what they were doing. So they told him and he ended up receiving Christ! He turned out to be a school administrator of one of the local schools and said, “My students need to hear this, come with me.” So he took them to his school where they had full liberty to share the gospel with students there and 85 kids accepted Christ there!

The last night we had the local pastors and leaders do all of the prayer ministry. You knew something had happened in the back of the crowd when clapping and cheers erupted. Then this empty wheel chair sprung up and was passed all the way to the front of the platform on top of the crowd. And unfortunately I didn't have my video camera with me that night! Another little girl, I'd say who was around 12 years old who had cerebral palsy was up and walking around!

Praise be to God who performs *“miraculous signs and wonders through the name of your holy servant Jesus”* (Acts 4:30).

Praying For Hotel Owner Just After Accepting Christ

Our ministry team would begin every day with worship and prayer before we left our hotel in the morning. On the second morning the owner of the hotel came to us asking for prayer for a family matter. He ended up receiving Christ as his Lord and Savior. Later in the week two other hotel workers came to one of our team members asking for prayer and he ended up leading them to Christ.

### Local Ministry

Every week brings opportunities to minister to many people in various ways through counseling, teaching, healing and deliverance. I am currently teaching a series on healing and deliverance at the Canon City chapter of Women's Aglow and leading a small group on how to have more passion for Jesus. Kim writes after a time of prayer ministry, "Thank you Lord. ***You are an awesome God and thank you for healing in my spirit and my body and my bones and my heart...*** I have to admit I don't know exactly what the Lord did but He knew what to do...I also think I didn't even know just how broken and "down" my spirit was...but the Holy Spirit has revived me again and I AM PRAISING HIM!"

### Debbie's News

After seven years working as a teacher's aid at Mountain View Core Knowledge School working with kids, the Lord

has transitioned me into new ministries! I am excited and staying quite busy with volunteering at the local hospital and Sangre de Cristo Hospice and Palliative Care. I am feeling drawn to Hospice as I enjoy using my sewing abilities to make bears, puppies and bunnies to give to families who have lost a loved one. The animals are sometimes made from an article of clothing of the loved one. I will begin visiting a couple in their eighties with cancer next week.
