## FREEDOM THROUGH FAITH MINISTRIES

### NEW SCHOOLS IN A NEW NATION!

We flew to South Africa for an 11 day trip and ***trained 70 pastors to start Bible Training Centers in Johannesburg and Pretoria.*** Carl and Lani Rogers from Arvada, Colorado joined us along with Pastor John Wandera from Uganda. The pastors were very excited about receiving the bible school curriculum and we just received word that schools are scheduled to start in January 2019.

One very grateful couple from Malawi, Pastor Benison and Eziina Zimba, traveled two days and a night on a bus to attend the conference in Johannesburg. They oversee 15 churches and invited us to do a training in Malawi for another 50 pastors and leaders! We hope to get that scheduled for 2019.

### HEALING AND DELIVERANCE TEACHING

In March and October we were in Gunnison, Colorado teaching and ministering on healing and deliverance. A group of 20 men and women from seven different churches attended. Lee and Robin McElfresh from Glenwood Springs, Colorado joined us and taught on the Kingdom. Many received needed ministry and all were activated in healing ministry!

## THE BEST FOR LAST

It seems like the Lord loves to surprise us and bless us when we least expect it. We enjoyed a joyful, Spirit-filled Sunday service at the lovely True Worship Church in Kempton Park with Pastor Steve Nambula and his wife Precious on our last day in Johannesburg. He told us, "**You came to South Africa for one person—me!**" Jack preached on God's Grand Plan and then we prayed for the sick. We rejoiced with those receiving their healing from the Lord. We also promoted the Bible Training Centers with Pastor Steve on his radio program that reaches millions in Johannesburg and the surrounding area! ([www.twcgospelradio.co.za](http://www.twcgospelradio.co.za)).

They have such a compassionate heart for the poor, down trodden, elderly, hungry and uneducated children, street kids, prostitutes and are doing an amazing ministry! Debbie was heart broke to leave them and wanted to stay to play with and love on the 100 children from the local neighborhood. We will return and hope to bring a delightful team with us to bless them!

Dr. Russ Frase, President and founder of Joshua Nations, and his wife Lana had a glorious celebration of 50 years in ministry and marriage in Denver on October 2nd. **He just released his newest book, Runways of the Heart**, about his life story empowered by the Holy Spirit.
